SUBJECT INDEX

Analysis
Analytical Framework for Waste-Facility Siting, Chris Zeiss and Lianne Lefsrud, UP Dec. 95, p115-145.

Benefit cost analysis
Urban Regeneration Using Local Resources: Cost-Benefit Analysis, Martin A. Garrett, Jr., UP Dec. 95, p146-157.

Building codes
Engineering Overview of Hurricane Andrew in South Florida, Alan Sirkin, UP Mar. 95, p1-10.

Case reports
Analytical Framework for Waste-Facility Siting, Chris Zeiss and Lianne Lefsrud, UP Dec. 95, p115-145.

Community support
Analytical Framework for Waste-Facility Siting, Chris Zeiss and Lianne Lefsrud, UP Dec. 95, p115-145.

Competition
Role of Local Infrastructure Policies and Economic Development Incentives in Metropolitan Interjurisdictional Cooperation, Samuel Nunn, UP June 95, p41-56.

Continuing education
Global Environment and Continuing Education for Engineer-Planners, Robert W. Stokes, UP Sept. 95, p83-90.

Decision making
Soft-Systems Methodology as Learning and Management Tool, C. Jotin Khisty, UP Sept. 95, p91-107.

Demand
Demand for Rental Housing in Korea with Some Estimation Issues, Seon J. Kim, UP June 95, p57-73.

Design criteria
Engineering Overview of Hurricane Andrew in South Florida, Alan Sirkin, UP Mar. 95, p1-10.

Disasters
Integrated Planning Information Systems: Disaster Planning Analysis, Akram Masri and James E. Moore, II, UP Mar. 95, p19-39.

Earthquake damage
Integrated Planning Information Systems: Disaster Planning Analysis, Akram Masri and James E. Moore, II, UP Mar. 95, p19-39.

Economic development
Role of Local Infrastructure Policies and Economic Development Incentives in Metropolitan Interjurisdictional Cooperation, Samuel Nunn, UP June 95, p41-56.

Economic justification
Urban Regeneration Using Local Resources: Cost-Benefit Analysis, Martin A. Garrett, Jr., UP Dec. 95, p146-157.

Engineering education
Global Environment and Continuing Education for Engineer-Planners, Robert W. Stokes, UP Sept. 95, p83-90.

Estimation
Demand for Rental Housing in Korea with Some Estimation Issues, Seon J. Kim, UP June 95, p57-73.

Expert systems
Integrated Planning Information Systems: Disaster Planning Analysis, Akram Masri and James E. Moore, II, UP Mar. 95, p19-39.

Financial feasibility
Determination of Charge Levels for Solid-Waste Generator-Pay Systems, Brian W. Baetz and Paul E. Yundt, UP June 95, p75-81.

Fiscal policies
Urban Regeneration Using Local Resources: Cost-Benefit Analysis, Martin A. Garrett, Jr., UP Dec. 95, p146-157.

Florida
Engineering Overview of Hurricane Andrew in South Florida, Alan Sirkin, UP Mar. 95, p1-10.

Growth stages
Growth Management Techniques in the City of Carlsbad, Daniel Clark and Steven C. Jantz, UP Mar. 95, p11-18.

Housing
Demand for Rental Housing in Korea with Some Estimation Issues, Seon J. Kim, UP June 95, p57-73.

Human factors
Soft-Systems Methodology as Learning and Management Tool, C. Jotin Khisty, UP Sept. 95, p91-107.

Hurricanes
Engineering Overview of Hurricane Andrew in South Florida, Alan Sirkin, UP Mar. 95, p1-10.

Incentives
Role of Local Infrastructure Policies and Economic Development Incentives in Metropolitan Interjurisdictional Cooperation, Samuel Nunn, UP June 95, p41-56.

Information system design
Integrated Planning Information Systems: Disaster Planning Analysis, Akram Masri and James E. Moore, II, UP Mar. 95, p19-39.

Infrastructure
Role of Local Infrastructure Policies and Economic Development Incentives in Metropolitan Interjurisdictional Cooperation, Samuel Nunn, UP June 95, p41-56.

International factors
Global Environment and Continuing Education for Engineer-Planners, Robert W. Stokes, UP Sept. 95, p83-90.

SUBJECT INDEX

Analysis
Analytical Framework for Waste-Facility Siting, Chris Zeiss and Lianne Lefsrud, UP Dec. 95, p115-145.

Benefit cost analysis
Urban Regeneration Using Local Resources: Cost-Benefit Analysis, Martin A. Garrett, Jr., UP Dec. 95, p146-157.

Building codes
Engineering Overview of Hurricane Andrew in South Florida, Alan Sirkin, UP Mar. 95, p1-10.

Case reports
Analytical Framework for Waste-Facility Siting, Chris Zeiss and Lianne Lefsrud, UP Dec. 95, p115-145.

Community support
Analytical Framework for Waste-Facility Siting, Chris Zeiss and Lianne Lefsrud, UP Dec. 95, p115-145.

Competition
Role of Local Infrastructure Policies and Economic Development Incentives in Metropolitan Interjurisdictional Cooperation, Samuel Nunn, UP June 95, p41-56.

Continuing education
Global Environment and Continuing Education for Engineer-Planners, Robert W. Stokes, UP Sept. 95, p83-90.

Decision making
Soft-Systems Methodology as Learning and Management Tool, C. Jotin Khisty, UP Sept. 95, p91-107.

Demand
Demand for Rental Housing in Korea with Some Estimation Issues, Seon J. Kim, UP June 95, p57-73.

Design criteria
Engineering Overview of Hurricane Andrew in South Florida, Alan Sirkin, UP Mar. 95, p1-10.

Disasters
Integrated Planning Information Systems: Disaster Planning Analysis, Akram Masri and James E. Moore, II, UP Mar. 95, p19-39.

Earthquake damage
Integrated Planning Information Systems: Disaster Planning Analysis, Akram Masri and James E. Moore, II, UP Mar. 95, p19-39.

Economic development
Role of Local Infrastructure Policies and Economic Development Incentives in Metropolitan Interjurisdictional Cooperation, Samuel Nunn, UP June 95, p41-56.

Economic justification
Urban Regeneration Using Local Resources: Cost-Benefit Analysis, Martin A. Garrett, Jr., UP Dec. 95, p146-157.

Engineering education
Global Environment and Continuing Education for Engineer-Planners, Robert W. Stokes, UP Sept. 95, p83-90.

Estimation
Demand for Rental Housing in Korea with Some Estimation Issues, Seon J. Kim, UP June 95, p57-73.

Expert systems
Integrated Planning Information Systems: Disaster Planning Analysis, Akram Masri and James E. Moore, II, UP Mar. 95, p19-39.

Financial feasibility
Determination of Charge Levels for Solid-Waste Generator-Pay Systems, Brian W. Baetz and Paul E. Yundt, UP June 95, p75-81.

Fiscal policies
Urban Regeneration Using Local Resources: Cost-Benefit Analysis, Martin A. Garrett, Jr., UP Dec. 95, p146-157.

Florida
Engineering Overview of Hurricane Andrew in South Florida, Alan Sirkin, UP Mar. 95, p1-10.

Growth stages
Growth Management Techniques in the City of Carlsbad, Daniel Clark and Steven C. Jantz, UP Mar. 95, p11-18.

Housing
Demand for Rental Housing in Korea with Some Estimation Issues, Seon J. Kim, UP June 95, p57-73.

Human factors
Soft-Systems Methodology as Learning and Management Tool, C. Jotin Khisty, UP Sept. 95, p91-107.

Hurricanes
Engineering Overview of Hurricane Andrew in South Florida, Alan Sirkin, UP Mar. 95, p1-10.

Incentives
Role of Local Infrastructure Policies and Economic Development Incentives in Metropolitan Interjurisdictional Cooperation, Samuel Nunn, UP June 95, p41-56.

Information system design
Integrated Planning Information Systems: Disaster Planning Analysis, Akram Masri and James E. Moore, II, UP Mar. 95, p19-39.

Infrastructure
Role of Local Infrastructure Policies and Economic Development Incentives in Metropolitan Interjurisdictional Cooperation, Samuel Nunn, UP June 95, p41-56.

International factors
Global Environment and Continuing Education for Engineer-Planners, Robert W. Stokes, UP Sept. 95, p83-90.

Korea
Demand for Rental Housing in Korea with Some Estimation Issues, Seon J. Kim, UP June 95, p57-73.

Management
Growth Management Techniques in the City of Carlsbad, Daniel Clark and Steven C. Jantz, UP Mar. 95, p11-18.

Municipal wastes
Determination of Charge Levels for Solid-Waste Generator-Pay Systems, Brian W. Baetz and Paul E. Yundt, UP June 95, p75-81.

Optimization
Solid-Waste–Disposal Site Location, Alan T. Murray and Richard L. Church, UP Sept. 95, p109-114.

Planning
Integrated Planning Information Systems: Disaster Planning Analysis, Akram Masri and James E. Moore, II, UP Mar. 95, p19-39.

Soft-Systems Methodology as Learning and Management Tool, C. Jotin Khisty, UP Sept. 95, p91-107.

Policies
Role of Local Infrastructure Policies and Economic Development Incentives in Metropolitan Interjurisdictional Cooperation, Samuel Nunn, UP June 95, p41-56.

Population growth
Growth Management Techniques in the City of Carlsbad, Daniel Clark and Steven C. Jantz, UP Mar. 95, p11-18.

Prototypes
Integrated Planning Information Systems: Disaster Planning Analysis, Akram Masri and James E. Moore, II, UP Mar. 95, p19-39.

Regional analysis
Analysis of Trends Underlying Urban/Regional Impacts of Traffic Growth, Reginald R. Souleyrette, Zachary N. Hans, William L. Garrison and Lorne Wazny, UP Dec. 95, p158-171.

Rehabilitation
Urban Regeneration Using Local Resources: Cost-Benefit Analysis, Martin A. Garrett, Jr., UP Dec. 95, p146-157.

Rental
Demand for Rental Housing in Korea with Some Estimation Issues, Seon J. Kim, UP June 95, p57-73.

Site selection
Analytical Framework for Waste-Facility Siting, Chris Zeiss and Lianne Lefsrud, UP Dec. 95, p115-145.

Solid-Waste–Disposal Site Location, Alan T. Murray and Richard L. Church, UP Sept. 95, p109-114.

Site selection studies
Analytical Framework for Waste-Facility Siting, Chris Zeiss and Lianne Lefsrud, UP Dec. 95, p115-145.

Social aspects
Soft-Systems Methodology as Learning and Management Tool, C. Jotin Khisty, UP Sept. 95, p91-107.

Social participation
Soft-Systems Methodology as Learning and Management Tool, C. Jotin Khisty, UP Sept. 95, p91-107.

Solid waste disposal
Solid-Waste–Disposal Site Location, Alan T. Murray and Richard L. Church, UP Sept. 95, p109-114.

Solid waste management
Determination of Charge Levels for Solid-Waste Generator-Pay Systems, Brian W. Baetz and Paul E. Yundt, UP June 95, p75-81.

Systems
Soft-Systems Methodology as Learning and Management Tool, C. Jotin Khisty, UP Sept. 95, p91-107.

Traffic planning
Analysis of Trends Underlying Urban/Regional Impacts of Traffic Growth, Reginald R. Souleyrette, Zachary N. Hans, William L. Garrison and Lorne Wazny, UP Dec. 95, p158-171.

Traffic volume
Analysis of Trends Underlying Urban/Regional Impacts of Traffic Growth, Reginald R. Souleyrette, Zachary N. Hans, William L. Garrison and Lorne Wazny, UP Dec. 95, p158-171.

Transportation networks
Solid-Waste–Disposal Site Location, Alan T. Murray and Richard L. Church, UP Sept. 95, p109-114.

Travel patterns
Analysis of Trends Underlying Urban/Regional Impacts of Traffic Growth, Reginald R. Souleyrette, Zachary N. Hans, William L. Garrison and Lorne Wazny, UP Dec. 95, p158-171.

Trends
Analysis of Trends Underlying Urban/Regional Impacts of Traffic Growth, Reginald R. Souleyrette, Zachary N. Hans, William L. Garrison and Lorne Wazny, UP Dec. 95, p158-171.

Urban areas
Role of Local Infrastructure Policies and Economic Development Incentives in Metropolitan Interjurisdictional Cooperation, Samuel Nunn, UP June 95, p41-56.

Urban development
Global Environment and Continuing Education for Engineer-Planners, Robert W. Stokes, UP Sept. 95, p83-90.

Role of Local Infrastructure Policies and Economic Development Incentives in Metropolitan Interjurisdictional Cooperation, Samuel Nunn, UP June 95, p41-56.

Urban Regeneration Using Local Resources: Cost-Benefit Analysis, Martin A. Garrett, Jr., UP Dec. 95, p146-157.

Urban planning

Engineering Overview of Hurricane Andrew in South Florida, Alan Sirkin, UP Mar. 95, p1-10.

Global Environment and Continuing Education for Engineer-Planners, Robert W. Stokes, UP Sept. 95, p83-90.

Growth Management Techniques in the City of Carlsbad, Daniel Clark and Steven C. Jantz, UP Mar. 95, p11-18.

Urban renewal

Urban Regeneration Using Local Resources: Cost-Benefit Analysis, Martin A. Garrett, Jr., UP Dec. 95, p146-157.

User fees

Determination of Charge Levels for Solid-Waste Generator-Pay Systems, Brian W. Baetz and Paul E. Yundt, UP June 95, p75-81.

Waste sites

Analytical Framework for Waste-Facility Siting, Chris Zeiss and Lianne Lefsrud, UP Dec. 95, p115-145.

Wind loads

Engineering Overview of Hurricane Andrew in South Florida, Alan Sirkin, UP Mar. 95, p1-10.
